As part of teaching your student to be independent we would like to run a program that will involve community access. During this time your student will have an opportunity to purchase items such as something from a café or doing some personal shopping. This may require some personal spending money. You will be notified about a schedule in 2025.

Personal Items List

The Personal Items Lists (attached) have been noted by the School Council as being required by students for personal use in the education programs provided by this school. The items can be purchased from our selected supplier Callows Office Choice, or through a supplier of your own choice but prices may differ. Please refer to the Personal Items List for your child's relevant year level.
